

members constitute approximately 70 percent of the available lodging in the South Lake Tahoe area. The Commission's complaint alleges that SLTLA and its members entered into an agreement to suspend the use of signs advertising prices for lodging. The evidence also shows that the primary purpose of the agreement was to increase the room rates charged for lodging in the South Lake Tahoe area of Northern California and Nevada and to end what members saw as a "destructive" price war on motel rooms in the South Lake Tahoe area by eliminating the posting of signs advertising the prices at which its individual members offer such lodging.

According to the proposed complaint, the effects of the agreement are that price competition among providers of lodging in the South Lake Tahoe area has been reduced, and consumers have been deprived of the benefits of readily available information about the price for lodging.

The Proposed Order

The proposed Order contains provisions designed to remedy the violations charged and to prevent the respondent from engaging in similar acts and practices in the future. Part II of the proposed order would prohibit SLTLA from carrying out, participating in, inducing, suggesting, urging, encouraging, or assisting any agreement, combination or conspiracy with its members, or agreement, combination or conspiracy with some of its members, to restrict the posting of signs advertising the prices at which its individual members offer lodging. Part II would not bar SLTLA from exercising rights protected under the First Amendment to the United States Constitution to petition any federal, state or local government executive agency or legislative body concerning legislation, rules, programs, or procedures, or to participate in any federal, state or local administrative or judicial proceeding.

The proposed order also requires the respondent to amend its corporate by-laws to incorporate by reference Paragraph II of this Order; to distribute a copy of the amended by-laws to each of its members; to provide a copy of the consent agreement and complaint to all of its current members and to any new members for a period of five (5) years; and to file one or more reports detailing compliance with the order.

The purpose of this analysis is to invite public comment on the proposed order. This analysis is not intended to constitute an official interpretation of the agreement and proposed order or to modify their terms in any way.

By direction of the Commission.

Secretary.
